

Wisconsin's Lake Courtesy Code

Curbing Conflict

- ☞ More and more of us are enjoying the water in a wide variety of ways.
- ☞ Some seek peace and quiet and a little bit of nature.
- ☞ Some let it all hang out and test their prowess and athletic skills.
- ☞ How do we share our small world with the creatures that *need* to live there and the people who *prefer* to live there?
- ☞ Can there be less stress and more pleasure?
- ☞ How will what I want to do affect others?

CAN I BE...

CONSIDERATE - RESPECTFUL - POLITE - UNDERSTANDING?

NOISE...Silence is golden

SPEED...Watch your wake

LITTER...Leave nothing but your ripples

SPACE...Give critters and your lake neighbors some room

R-E-S-P-E-C-T

RESPECT: The rights of others.

ENVIRONMENT: Enjoy wildlife from a distance.

SAFETY: Heed the boating regulations, go slowly.

PEACE: Watch your noise and your wake.

ENJOY: Have fun; share the moments with your friends.

CONSIDER: The other people and creatures on the lake.

TRASH: Take your trash home.

Think how much nicer your day would be if everyone showed just a little more respect.
